Reicher Awards Those Who Make Her Possible

"My dear friends . . . Words fail me when I see this magnificent showing of wonderful devoted people all working towards the success of Reicher High School. Way back twenty years ago this existed only in faith and it was something that all who were interested and who worked at it knew that it was for God. We felt that God willed it and even though it seemed impossible, we went ahead. Yes, I know it was God that made it possible to bring to fruition the grand success it has attained so far. I do pray that God will bless and deeply reward everyone of you for your efforts."

These are the words of our beloved Monsignor Kearns, who himself was one of the first to receive the Cougar Medallion. The Cougar Medallion is a symbol of the achievement of excellence by anyone related to Reicher High School. With that in mind, the staff of the Chi-Rhoan dedicates this year's edition to those fine people who made and continue to make Reicher possible.

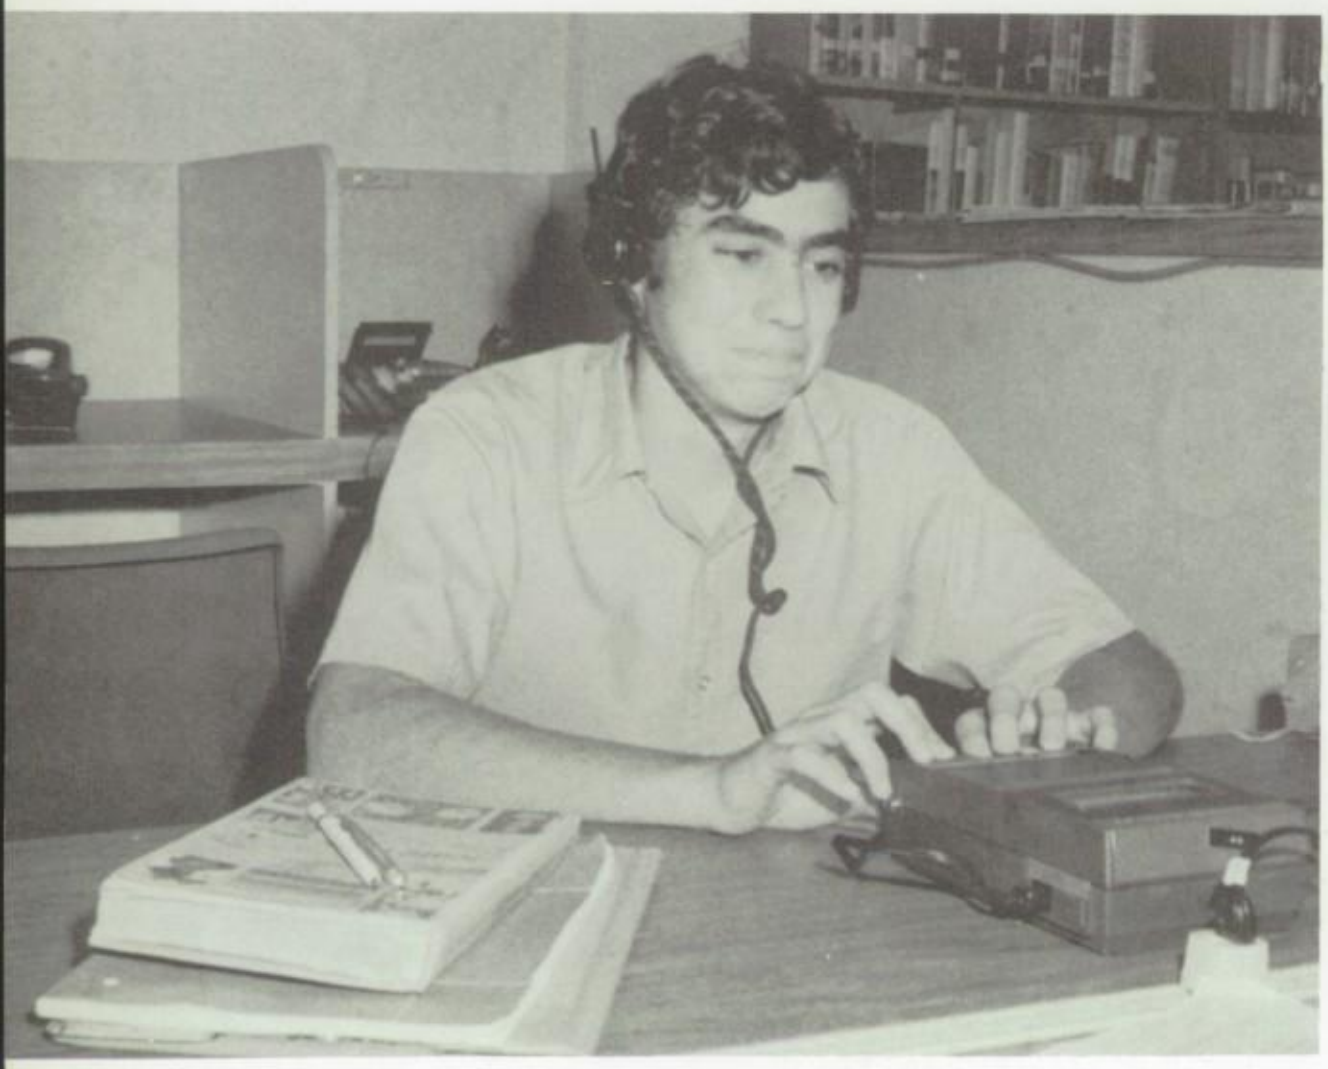
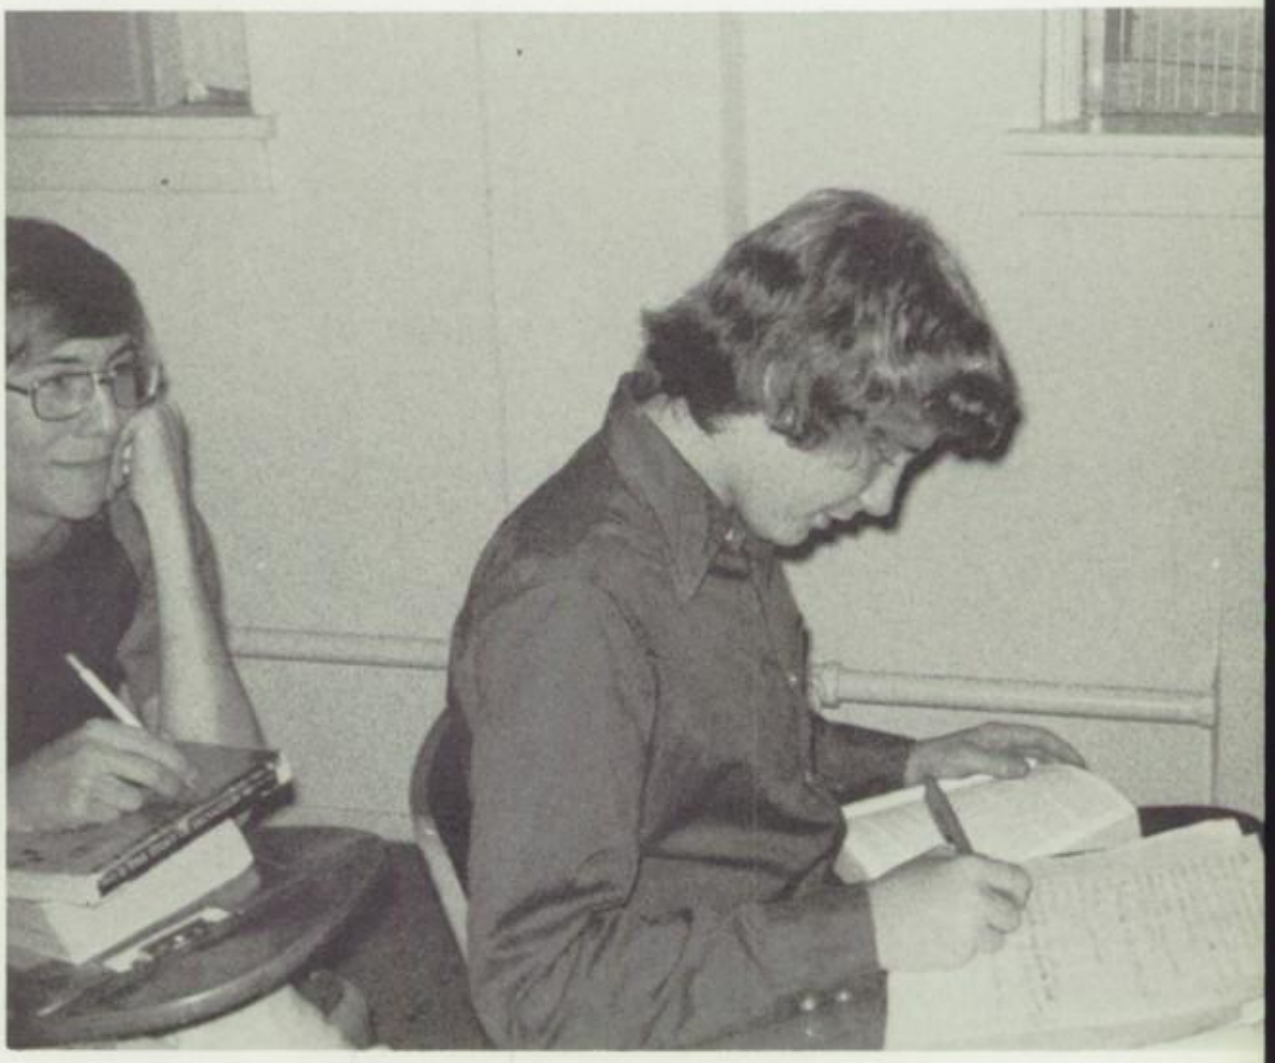
LEARNING THE LINES





Thrilling Thursday Is Reicher's

Something new and exciting was added to the schedule this year—Thrilling Thursday! It is one day a week which is unscheduled for regular classes. This provides the students with an opportunity to get individual help from teachers and classmates as well as participating in various club activities and field trips.

Among the wide variety of activities are tennis and swimming for the athletically inclined, Magic for the wizards, the Camera Club for the snap-happies, Ecology for the Euell Gibbonses, and Math Club and Mechanical Drawing for the precise.

The Garden Club—alias "weed-hoppers"—bring the stadium to life with their green thumbs. One of the more shocking groups is Electronics class. Home Ec for Males separates the Men from the Boys, while Girls' Auto Mechanics liberates the Women. With such a vast selection, who could possibly be bored on a Thrilling Thursday?!

People Behind the Scenes, Without Whom This

To the outsider the yearbook staff appeared to be a bunch of giggly girls who meet every Thursday from 2:00 to 4:30 to look through pictures; but it was much more than that. It was spending Thursday and sometimes Sunday afternoons and Friday nights in the school library working on layouts and writing copies. It was lugging a camera to all the big events. A yearbook member knew what it was like to face a deadline headon knowing that she had two days to do two months work. It was hard and at times seemed impossible but we succeeded one more year. Next year's challenge awaits.

Glee Club—Never A Sad Song

The Glee Club under the direction of Sister Clara Francis successfully put on numerous programs this year. At Christmas, the Nativity was re-enacted by members while the rest of the Club sang a beautiful Christmas Cantata. One of their most outstanding achievements was when the entire Glee Club participated in competition singing at the University of Dallas on April 6, and won first place with these winning songs: Tiritomba, Anthem For Spring, and God Of All Nature. Congratulations are also in order for a really fine Spring Concert, where the competition songs along with these were performed: Sing, Sing A Rainbow, Turn Around, If We Only Have Love, and All My Trials. In May the Club sang at a mass at the Knights of Colombus Convention. These fine students were Glee Club officers this year: Tricia Dvorsky, Mark Falsone, Barbara Hurtado, Joe Jiminez, John Kelly and Marsha Matus.

Behind every success there are willing workers who give of their time and yet, who never make it into the limelight.

Behind Reicher are Bishop Harris, our pastors, School Board, Parent-Teacher Organization, and Booster Clubs.

A. School Board members left to right: Gerald Bolfing, Frank Mejia, Harry Matustik, Frank McDonald, Willie Hammonds, Gerald Jansing, John Fulbright, president.

B. PTO Board members left to right: Mrs. Steve Hurtado, Chaperone; Mrs. Rose Ott, Treasurer; Gene Gerlich, Vice-president; Lloyd Fulbright, Parliamentarian; Joe Bob Gough, Publicity; Bob Ross, President; Mrs. Gloria Young, Room Mothers.
Mrs. Polly Falsone, Secretary is not pictured.

Band Booster Officers are Mrs. Audrey Emmet, President; Lloyd Fulbright, Vice-President; Dorothy Ott, Secretary; Willie Hammonds, Treasurer.

Athletic Booster Club officers are Henry Lewis, President; Willie Lokken, Vice-President; John Nystrom, Secretary-Treasurer.

One of the big money-making projects sponsored by Reicher's Behind the Scenes Crew is the Waco Charity Horse Show, benefitting Reicher Catholic High School. A little limelight deserves to be cast on Mr. Willie Hammonds, Mr. Harry Matustik, Mr. & Mrs. Frank J. Dicorte, Mr. & Mrs. Bob Ross, and Mrs. Bob Woika for making the show financial and entertaining success it was.

Pictured at right: Bishop Vincent M. Harris, Monsignor J. J. Kearns, Reverend Mark Deering, Reverend Pat Johnson, Reverend Ed Rabroker, Reverend Lawrence Soler, Reverend Anthony Ferrer.

After a week of high excitement and silent frustration; after a week of nominating seniors Patty Becker, Suzie Garon, Kay Gerlich, and Janet Meek for Homecoming Queen; and after a week of selecting freshman Ellen Stoetzner, sophomore Lori Groeger, and junior Mary Bayer as attendants—what better way to end that week than by crowning Janet Meek as the 1973 Homecoming Queen.

Boogie Back With The Bee-Boppers Of '53

It was an experience unlike any that Reicher students had encountered. A veil of the past enveloped Reicher on November 20, as students, dressed in long skirts, rolled-up blue jeans, bobbie socks and grease, strode down the halls. Such phrases as "Daddy-O" and "It's a drag" replaced the usual, "My old man" and "What a bummer."

What could have prompted this strange behavior? It was the celebration of the twentieth anniversary of Reicher's coming into existence.

SATURDAY IN THE PARK BLOSSOMS

Spring was sprung at the end of December for the Junior class. Inspirations and ideas for decorations were budding in the minds of each student. As warm weather came upon us, each Junior and Senior knew that "the" day was drawing near. And when it did, we soon discovered that all our budding ideas bloomed into beautiful spring flowers.

And of course no park is complete without people. The special people of this evening were Seniors. Barbara Hurtado was crowned Prom Queen. First Runner-up was Gayl Hobbs and Second Runner-up was Kay Gerlich. Their escorts were Bob Groeger, Michael Beck and Miles Taylor respectively. Congratulations, Barbara!

Class Favorites 1973-74

Kay Gerlich is an active member of the 1974 Senior Class. She is the co-editor of the newspaper and a member of the NHS. Her hobbies are playing tennis and keeping little children. She is presently working at White's. One of her favorite pass-times is watching boys (good-looking ones, that is). She is amiable, enjoys bicycling and going to parties. Over all, she loves just having a good ol'e time!

Manuel Ordones is favorite boy of the Senior Class. He was quarterback and captain of Reicher's football team. He was also elected onto the Super Centex, All-District, and All-State Football Teams, and the All-District Baseball and Basketball Teams. From this, you can conclude that he is very sports-minded. He enjoys parties, but most of his free time is spent with April.

Debbie Kallus is closely related to Reicher in the way that she is a member belonging to the NHS, Student Council, and band. Her favorite sport is track in which she excels in the mile relay. Sewing and bicycling are her favorite hobbies and her philosophy on life is "to make an honest effort to like everyone I meet." As of now she has no favorite movie and likes all people in general. Since Debbie excels in so many numerous subjects at school she finds it impossible to be partial to any.

Joe Dominguez, an active Junior, who ran for Student Council President this year, claims *Magnum Force* is his favorite movie. Along with football he also enjoys motorcycle riding. When asked who his favorite person is Joe didn't do much thinking before he came up with Raquel Welch (of course). At school Joe's favorite subjects are English and Earth Science. If you know Joe then you know why his philosophy is "to live each day to its fullest."

Diane Davis is one of the livliest and busiest gals seen around at Reicher. She has no favorite person; just everyone. Cat Stevens is her idol in rock music. Her philosophy on life is: "When you make up your mind to do something, and its good, nothing can stop you." Comedy proves to be a hit with her and her hobbies include bike riding, swimming, and being with people in general.

Joe Jiminez successfully fills the position as Class Favorite by being an All-American boy at Reicher. He confesses his favorite movie is "Godzilla vs. the Smog Monster" which may lead you to believe that biology is his favorite subject in school. He spends his free time leisurely with "Becca." He works hard at his favorite sport, football, which shouldn't be too difficult since it is his hobby also. His philosophy on life is "Do what you want to do as long as it doesn't hurt anyone else."

Kim Stone, the Freshman's favorite personality, really thinks *American Graffiti* was a good movie. She's in no doubt about her favorite subject, FREE MOD. Kim doesn't favor any one person, she just likes everybody. Her hobby is one that most girls share, buying new clothes. Horseback riding proves to be her favorite sport. Since she likes people so much, naturally, her philosophy of life is "to make as many friends as possible and keep them."

One of the new people at Reicher who proved to be very popular among his classmates is Ted Hernandez. Ted's favorite movie this year is the demonic film *The Exorcist*. His favorite subject is Spanish and his favorite people are "Donna, Larry, and Mike." He likes to meet people, go camping and play FOOTBALL. His philosophy on life is "a person should finish what they have started. If in your youth, you find yourself quiting something you have already started, later in life as an adult, you'll probably be failing the needs of a good job or failing as a good husband or wife."

The Epilogue Features Honors Program and

Honors' Night, May 17, focuses on awards and special honors for the graduating class. Janet Meek, as valedictorian and Bob Sheehy, salutatorian, addressed their fellow classmates on class potential, good times, and the value of all experiences in their lives. After all awards and ribbons were given, the graduates sang "The Way We Were" as their class song selection and the assembly closed with everyone singing the Reicher school song.

Commencement Exercises, May 19 are the climax to four years of hard work and challenges. To some it means parting friendships and to others it means going off to college and meeting new friends and facing new challenges. "Let us give thanks for all that has been," Father Goertz addressed us, " . . . and Yes to all that will be. Yes to all that we put into the recipe of our lives as well as all that goes into it by accident or fate. Whatever happens, it is important to remember that Christ is risen and with us."

Move over Sister, Here comes "74"

DIRECTOR'S PAGE

It would be impossible to convey on one meager page the time and the effort put into directing this epic document: the countless hours pouring over layouts, brainstorming the clever captions, and arguing with our producer, Sister Barbara Jean. But now that this production is cut and dried, we feel that it portrays a fair rendering of what goes on during a typical and yet not so typical year at Reicher; the trial, the error, the human drama; the thrill of victory and the agony of defeat. Of course, we must give credit to our cast, crew, and extras (Charlie, Mr. Collins, the faculty, and the freshmen). Thanks a lot sweethearts, you did beautifully.

P.S. Since we had some room left over, we thought we would throw in a little philosophy to the class of 1974: "All the world's a stage. And all the men and women merely players. They have their exits and their entrances. And one man in his time plays many parts."—Shakespeare. We wish the class of 1974 all the luck in the world in whatever part they play in their future life. And to all the understudies still at Reicher—"Break a leg!"
